# INSTRUCTIONS FOR COMPLETING THE NONPUBLIC (PRIVATE) SCHOOL PARTICIPATION FORM (NDE 34-014)

Every public school district in Nebraska that has one or more nonpublic schools located within the public school district's geographic boundaries must complete this form. Please complete sections of the form that are **highlighted yellow** prior to the face to face consultation with the nonpublic school. The remainder of the form is to be completed during the face to face consultation. It is the responsibility of the public school district to submit this completed form to the Nebraska Department of Education by **May 1, 2013**. Complete this form for *each* nonpublic school geographically located within the public school district attendance area to document that the nonpublic school was consulted regarding potential participation in a federal program.

## **1: Formula Federal Programs**

**Column A—Federal Program.** This form should be used to document consultation with nonpublic schools only for the *formula* federal programs listed in this column. Other federal programs contain their own provisions for the equitable participation of nonpublic school students and teachers and have separate reporting requirements.

**Column B—Receives Allocation or Program.** Check either “Yes” or “No” to indicate whether or not the public school district receives an allocation for each federal program listed in column “A”. A consultation is not required for federal programs receiving no allocation.

**Column C—Nonpublic School Consulted.** For each federal program listed in column “A” **and marked “Yes” in Column “B,”** check either “Yes” or “No” to indicate whether or not the nonpublic school was consulted regarding potential participation in that program.

**Column D—Nonpublic School Participating.** For each federal program listed in column “A” **and marked “Yes” in Column “B,”** check either “Yes” or “No” to indicate whether or not the nonpublic school will benefit from potential participation in that program.

**Column E—Nonpublic LEP.** If the nonpublic school has checked “Yes” in Column D and participating in the Title III **Limited English Proficient** program, **enter the number of Limited English Proficient (LEP) students in the nonpublic school.**

An immigrant is defined as youth and individuals who are aged 3 through 21; were not born in any State; and have not been attending one or more schools in any one or more States for more than 3 full academic years. The term “State” means each of the 50 states, the District of Columbia, and the Commonwealth of Puerto Rico.

**Column G—Comments.** If applicable, supply any additional comments pertaining to a specific program in this column. If more space is required, submit an additional sheet and be sure to identify the federal program(s) to which the comment(s) pertain(s).
